

### Practitioner Course Information

PRINCE2 is a project management methodology that will benefit all types of projects and projects of different sizes. Designed to facilitate effective control of projects it consists of 5 integrated elements: Principles, People, Practices, Processes and the Project context.

The 2 day Practitioner course is a program designed to develop the participant's ability to apply PRINCE2 in different project environments and adapt PRINCE2 under specific project scenarios.

#### The Practitioner training will:

- Expand the participant's understanding of the principles and philosophies underpinning PRINCE2.
- Provide detailed explanations on PRINCE2's elements, their relationships and how they can be applied in different project environments.
- Provide participants experience in applying PRINCE2 in different project environments.
- Explain how PRINCE2 can be effectively applied to address the needs and problems of a specific project scenario.
- Provide participants experience in applying PRINCE2 to address the needs and problems of a specific project scenario.
- Prepare participants for PRINCE2 Practitioner Certification.

#### Course Composition

The training is a scenario based training course focusing on the application of PRINCE2 under different project environments and scenarios. Review and revision sessions of all PRINCE2 elements are included throughout the training.

#### Practitioner Exam

The PRINCE2 Practitioner exam is a 2.5 hour scenario based open book exam.

The maximum score for the exam is 70 marks. The candidate must acquire more than 42 marks to pass the exam.

#### Practitioner Re-registration

To renew Practitioner certification PRINCE2 Practitioners are required to be re-registered within 3 years of their original certification.
